REMEDIAL INVESTIGATION/FEASIBILITY STUDY REPORT, HEROIC WAR DEAD UNITED STATES ARMY RESERVE CENTER, OAKLAND, CALIFORNIA

Dear Colonel Anderson:

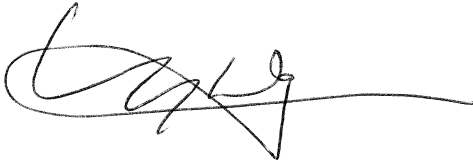

The Department of Toxic Substances Control (DTSC) has received the May 2007 *Remedial Investigation/Feasibility Study Report, Heroic War Dead United States Army Reserve Center Oakland* (RI/FS). The East Bay Municipal Utility District, the prospective transferee, has retained Geologica Incorporated to prepare the RI/FS. The RI/FS presents investigation data and evaluates remedial alternatives for the Heroic War Dead site.

DTSC reviewed and commented on previous draft RI/FS reports. The May 2007 RI/FS has incorporated DTSC's recommendations satisfactorily. Therefore, DTSC hereby approves the RI/FS. In the event that new investigation data become available, DTSC requests the Army Reserve to prepare a RI/FS addendum for DTSC's review.
